SOUTH JORDAN
LEARNERS • GROWERS • LEADERS

A GREAT OPPORTUNITY TO SERVE!

The Jordan Education Foundation provides grant opportunities for teachers as well as service opportunities for families in our district. The foundation provides funding for the Principal's Pantry at each school, Thanksgiving dinners for families in our district and classroom grants to teachers! The foundation is crucial to the success of our district! The annual Christmas for Kids event is a wonderful way to support students in our district. If you would like to donate or help on the day of this event, please visit www.jefchristmasforkids.org.

SPOTLIGHT

Did you know that two of our teachers are members of the South Jordan Choral Arts? Miss Fiso and Miss Palmer both recently had the opportunity to perform at Carnegie Hall in New York! They also performed at Bingham High School as members of the Sounds of the Season choir. We are so lucky to have these wonderful performers at our school!

UKELELES

We are so lucky to have two teachers at our school to teach the ARTS to our students every week! Our school was the recipient of the Beverly Taylor Sorenson Arts Learning Program Grant which allows us to provide this opportunity to students.

Our wonderful music teacher, Mrs. Worthen, has noticed an interest from parents to purchase a ukulele for students to practice on at home. If you are interested in purchasing one, please fill out the attached form (scroll down) and return payment and the order form to the office as soon as possible. Questions? Contact Mrs. Worthen at jennifer.worthen@jordandistrict.org.

CALENDAR:

DECEMBER 1-31

Online permit window open. Check your email for instructions from the district on how to apply. Remember that this is not based on a first come, first served basis. All applications submitted during this window will be considered. Please see the permit priorities document at boundary.jordandistrict.org for permitting priorities set forth by the School Board.

DECEMBER 6

Band and choir concert at 6:00 PM.

DECEMBER 24-JAN 1

No school! Have fun on your winter break!

JANUARY 8

Second online permit window opens.

JANUARY 14 AND 21

No School! Only teachers attend on January 14th for a district professional development day. There is also no school on January 21st for Civil Rights Day.

Notice for parents of students in the JRE choir:
In order to receive updates and reminders about choir, please text @73abged to **81010**.

Need a Christmas Gift Idea?

Get your student a ukulele!

All 5th and 6th grade students are currently learning how to play ukulele. Several parents have asked where they can get one and for how much. We worked out a deal with Riverton Music to place a bulk order and can get the same ukuleles we're using at school for a great deal! Any grade can order (teachers, too)! All ukuleles are Kohala brand and are **\$35**. If you place your order by **December 7th**, we can guarantee Christmas delivery (by Dec 21st). If the order is placed after December 7th, they should come in by the first couple of weeks of January. ALL orders are due by Friday Dec 21st.

Is this a Christmas present? (Should we make sure we don't tell your student?)

Yes: _____ No: _____

How many ukuleles would you like?

Please make check payable for \$35 per ukulele to Jordan Ridge Elementary School and write in the note line that it is for an ukulele. Turn in check and order form to the front office.
