SCHOOL CLIMATE SURVEY

Every year we have the opportunity to receive feedback from parents and students through the School Climate Survey. Your feedback is so valuable as it helps us to be able to celebrate areas of strength and identify areas of concern. Watch for a link in the coming days to complete the survey. You may also complete the survey at PTC.

AN UPDATE FROM OUR STUDENT LEADERSHIP COUNCIL:

This year the Student Council held a service project to help the homeless stay warm. Students donated many hats, gloves and socks to help them to stay warm. We ended up with five large garbage bags! Thank you for all of your donations.

Our next service project will be in the Spring. We will be raising money for the Bradley Center for Grieving Children and Families. We will also be doing Pennies by the Inch for Primary Children's Hospital. More details will be coming soon.

We have had many spirit days this year with so many students participating. Some of the days we've had so far are: hat day, crazy hair day, pajama day and mismatch day. We've had a lot of fun with our spirit days this year!
