

Our school newsletter is also posted on our school website. Scroll down on the main page.

We keep a close eye on air quality and temperature each day. We follow the procedures below for air quality:
 red=all students indoors,
 orange=students with lung sensitivities indoors, yellow=students with lung sensitivities can choose to stay indoors, green=all students outdoors.

Remember that all lost and found items will be donated on Friday, December 20th.

The Jordan Ridge EAGLE

HOLIDAY SERVICE & PERMITS

We get asked quite frequently what our school needs to support the physical needs of our students. Fortunately, the Jordan Education Foundation helps provide food and other supplies in our Principal's Pantry. We have also been able to help with backpacks and coats this year and in years past.

As wonderful patrons continue to ask how to help and seeing this idea on the news, we realized that helping some families with lunch account balances would provide a great service and support.

You can do this by going to jordaneducationfoundation.org and clicking on the **donate** button at the top of the page. Specify that the donation is for lunch account balances.

An email was sent out to all families in the district with this information; we wanted to make sure you received it!

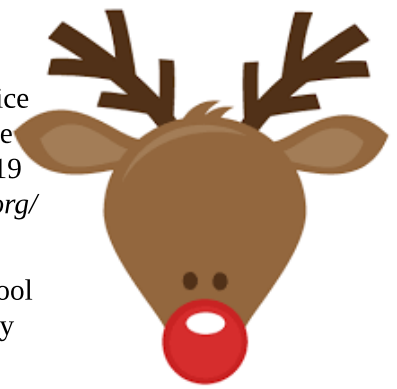

The school choice open enrollment (permit) window for the 2020-2021 school year will open on December 2, 2019. All applications submitted during the month of December will be part of the permit lottery.

Students currently on a school choice permit will NOT need to reapply for a permit if they are remaining at the same school for the 2020-2021 school year.

Students who are changing schools, or any student currently on the waitlist without a permit, must reapply to be considered for a 2020-2021 permit.

The 2020-2021 school choice application will be available beginning December 2, 2019 at planning.jordandistrict.org/enrollment/schoolchoice/.

You may also view the school choice permit procedures by visiting the link above.

Recycling at Jordan Ridge

It was posted in a community newsletter that patrons can now recycle at JR. We fill the bin to capacity each week with just school recyclables. We have requested a second pick-up date in order to accommodate the request, however it has not been scheduled yet. Please hold-off on bringing recyclables until we notify you.

RISE scores from the 2018-19 school year administration are now available in Skyward!

Orders due December 13th!

A message from our PTA President:

We are very excited to say that school t-shirts are ready to order! Order forms are being sent home with extras in the office. We also have the option to purchase online this year from jordanridge.memberhub.store. We will have a short ordering period which will end Dec. 13. By closing out quickly, we should be able to return orders before the start of winter break; perfect timing if school spirit wear was on anyone's wish lists. Speaking of wish lists, we know that a lot of technology may be on several kids' wish lists this December. The second week of January will be White Ribbon Week, where we encourage kids to make healthy choices with media and technology. One of the most important objectives of a White Ribbon campaign is to get families talking. Please talk with your child about acceptable behavior choices with all devices. Website resources, including several dedicated to remaining safe online, are available on our school website under the *Parents & Students* tab.
