CULTURE WEEK

Jordan Ridge Student Leadership Team hosted "Culture Week" during the first week of school at lunch. We learned about the 7 Habits by participating in some really fun activities.

"Be Proactive" - We learned to "Be Proactive" by reading situation cards and deciding how to positively react.

"Being with the End in Mind" - We studied a maze and then had to go through it with our eyes closed.

"Put First Things First" - We learned that we should work on our Big Rocks first and colored a picture showing what our big rocks are.

"Think Win-Win" - We played a fun Tic-Tac-Toe, if you won you got a dum-dum sucker and if you lost could play some more until you won.

"Seek First to Understand, then to be Understood" - We played a game where we had to look at pictures in equations and write down what it said.

"Synergize" - We synergized by rolling a ball in between our hands, not letting it fall.

"Sharpen the Saw" - We learned to make sure that we take care of ourselves. We took a break from doing hard things in class and folded origami animals and paper airplanes.

PARENT TEACHER CONFERENCES
